My name is Anita Wheeler-Bezy, and I am the President, Co-Owner, and Marketing Director of La Baguette French Bakery. I am writing to express my support for the pedestrian safety ordinance.

As a bakery and gathering place in Dover, we strive to create an atmosphere where customers feel comfortable and welcome. That safety begins long before they walk through our door — it starts on the roads they travel to get here. When pedestrians are standing in medians or approaching vehicles at busy intersections, it creates an unsafe situation not only for drivers, but also for the individuals in the roadway.

We want our community to be a place where everyone feels safe — families, customers, commuters, and those who may be in difficult situations and deserve protection from harm. Reducing dangerous median activity is a meaningful step toward that goal.

For the safety of our customers, our neighbors, and the pedestrians themselves, I strongly encourage you to support this ordinance.

Thank you,
Anita Wheeler-Bezy
